

PROFILE

My name is Steven Sterk, my age is 24. As a person I'm very enthusiastic and full of energy. I want to discover the world, I'm curious for new things, how things or people work and how I can perform on my best. I want to know how I can do things and how to do it on the best way. I'm open for positive critics, I'll listen to others, I want to listen to others. I'll create a positive work environment, people like to work with me.
